

Riverside Baptist Association

LET'S BLESS

Covid-19 guidelines and restrictions have affected one of the traditional ways WMU groups have helped BCMs - providing for student lunches.

Donating individual/small packaged snack foods will give BCMs flexibility in the different ways they can reach out to students.

***PLEASE
Drop off Donations
at the RBA Office
by Nov 30th***

All snacks are appreciated, but the most popular and well received are Pop Tarts, prepackaged cookies and Goldfish crackers, larger size candy bars. Snacks not chosen as much by students are granola bars and cracker packs. TN Tech BCM has requested individually packaged trail mix, nuts & dried fruit.

Tennessee WMU is partnering with Tennessee Baptist Collegiate Ministries to collect individual/small packaged snack foods to help reach students.
